Property Description

Interesting restoration project located in the hills close to Murazzano, perfect for those seeking a countryside, isolated, tranquil location.

Two large Langhe stone character buildings that create a delightful internal courtyard.

These properties require complete restoration /rebuilding and are really a blank canvas to design to suit your personal tastes and ideas.

Features of the property include arched openings, vaulted ceilings and original doors.

The size of the property could lend itself towards a business activity or maybe you choose just to restore a smaller part ...

This project is very flexible in terms of the size of property you restore and the design of what you wish to create ...

Its location is really hidden in the countryside, it could be a perfect for a countryside retreat perhaps for yoga, pilates or meditation..... or just simply a tranquil family home.
